## FRONTEND DEVELOPER

### About Me

As a Front-End Web Developer, I am hardworking and trustworthy but always try my very best to learn and develop myself. I am always on time and am a great team player as I work effectively in groups. I am very friendly, easy-going, and have a great sense of humor and this makes it easy to bond well with colleagues. I am great at taking instructions and tend to present projects in an excellent manner which helps improve the usability of products.
